

Rainbow Agreement

The Rainbow Resource agrees to:

- Organise a termly meeting with a child's parents and appropriate professionals.
- Arrange transition visits and support staff at a child's designated school with settling.
- Maintain an on-going and transparent professional dialogue with parents and professionals regarding a child's strengths and areas for further development.
- Prepare Education, Health and Care Plan paperwork, as appropriate.

The child's designated school agrees to:

- Attend termly review meetings.
- Fully engage in the transition process for a child.

The Speech and Language Therapy team agrees to:

- Provide induction training for new staff.
- Offer on-going training and support as the needs of individual children change.
- Provide parents with training and guidance as appropriate to their child's needs.
- Provide individual therapy plans as required.
- Support the Education, Health and Care Plan process.
