Wednesday	Today we will be doing sports with Mr McArthur. We will also be doing show and tell in key groups today, please send your child in with something small they can share with their group.
Thursday	We will look for similarities and differences between the toy bears we have in the Nursery.
Friday	We will watch a short video about how bears live in the wild.

### How can you support your child's learning at home?

- Encourage your child to begin to retell the story of Goldilocks and the Three bears.
- Support your child in recognising their name in a variety of situations. Can they find their name amongst a group of other names or words? Can they identify their name correctly alongside other words beginning with the same letter?
