

What's happening in Meadow Vale Reception this week?

13.1.20

Our topic this week is 'Handa's Surprise'

Literacy	We will be reading the story Handa's Surprise and using word cards to make and read sentences from the story.
Maths	We will be making pictograms of our favourite fruits and favourite animals from the story.
Physical	We will be learning about the importance of healthy eating.
Creative	In classes we will be making large fruits to go into a basket, which will be displayed within school. We will use collage materials such as tissue paper to make the fruit.

Show and Tell

Your child will be provided with a small piece of paper to draw a picture of their favourite superhero. These will then be used as data for our maths lessons, where the children will be learning to make pictograms.

Reading Morning

Please join us for reading mornings on Fridays. Each class will open at 8:40am when the gates open. Please make sure the children come and read and we would greatly appreciate if they didn't play with the toys. Younger siblings are welcome. We aim to finish as promptly as possible when the bell goes.

If you have any comments or concerns, please speak to one of the Reception Team members.
