

What's happening in Meadow Vale Reception this week?

27.1.20

Our topic this week is 'Monkey Puzzle'

Literacy	The children will be making lists of animals from the story using their phonics knowledge.
Maths	We will be learning number bonds to ten. We will also be practising counting forwards and backwards.
Understanding the World	We will be learning lots of interesting facts about Africa and the animals that live there.

From the 22nd January the children will be getting changed into the PE kit each week for their PE session with Mr McArthur. Please can all PE kits be in school every Wednesday. The PE kit should consist of a white t-shirt, black shorts, socks and plimsolls. Can you please encourage your child to be as independent as possible when undressing/ dressing at home, to support them with this new change at school.

Show and Tell

This week we would like the children to bring in their favourite story book or a picture of the book and be able to explain why they like that particular book.

Reading Challenge

We would like to encourage your children to read at least three times a week at home and for you to write this in their reading diary. Each week they achieve this, they will earn a star for their class's jar. The class with the most stars at the end of the month will win themselves a reward of their choice. We would appreciate your help with supporting your child with this exciting challenge at home!

If you have any comments or concerns, please speak to one of the Reception Team members.
