

## WHAT ARE WE LEARNING IN NURSERY THIS WEEK?

This half term our topic is;  
'Space using the book Whatever Next'

**Week Beginning: 3<sup>rd</sup> February 2020**

Monday	Today we will be visiting the number zoo again and learning about 'feathery four'. We will also be exploring quantities using numicon. Throughout the week we will be learning the story of Whatever Next.
Tuesday	We will be playing dancing games together such as musical statues.
Wednesday	Show and Tell. The children will also be doing Sports with Mr McArthur in the morning.
Thursday	We will read the story 'Aliens in Underpants?'
Friday	We will look at photographs of the moon and describe what it looks like.

### How can you support your child's learning at home?

- Encourage your child to look at the night sky. What can they see? What colours? What objects?
- If you have the story 'Whatever Next' discuss the characters and main events with your child. Next week we will be making rockets. Please send in cardboard tubes for modelling.

*Our Parents' Evenings are on Wednesday 12<sup>th</sup> and Thursday 13<sup>th</sup> of February. You will be able to sign up online. An email will be sent out when booking becomes available. Please look for either Mrs Freeman or Mrs Brunswick as we will be running sessions separately to ensure we have enough appointment times.*

**Thank you for your continued support. If you have any comments or concerns or questions, please speak to any of the Nursery Team members. 😊**
