

WHAT ARE WE LEARNING IN NURSERY THIS WEEK?

This half term our topic is;
'Once upon a time'

Week Beginning: 24th February 2020

Monday	We will introduce the children to the fairy tale 'The Three Little Pigs.' We will be having a circle time today, recounting something we have done in half term.
Tuesday	We will be learning about the number 6 using our number zoo stories.
Wednesday	Show and Tell. The children will also be doing Sports with Mr McArthur in the morning.
Thursday	We will try to recognise numbers up to ten.
Friday	The children will follow different dance moves using the song 'I'm Happy'

How can you support your child's learning at home?

- Use the numbers up to 10 write them in chalk, use them in apps, see if your child can find the missing number if you take one away.
- Read, if you have it, the story of 'The Three Little Pigs,' Can your child answer simple questions about the text?
- Look at different houses on your way to school. What are their different features? What materials are the houses made from?

Thank you for your continued support. If you have any comments or concerns or questions, please speak to any of the Nursery Team members. 😊
