

WHAT ARE WE LEARNING IN NURSERY THIS WEEK?

OUR TOPIC IS
'Once upon a time'

Week Beginning: 2/3/2020

Monday	We will be continuing with our number zoo stories and learning about the number 7. We will also be matching together objects that rhyme.
Tuesday	We will be using construction materials to make houses for the three little pigs. We will also be reading some traditional tales.
Wednesday	Please bring in a small item for 'Show and Tell.' We will be doing sports with Mr McArthur in the morning.
Thursday	We are finding out about the importance of hand washing.
Friday	We will read the story from the- Little Princess I don't want to wash my hands.

How can you support your child's learning at home?

- Help your child understand the importance of good hand washing skills at home.
- Talk and read traditional stories eg the Enormous Turnip, Cinderella.
- Go on a number hunt. What numerals can your child spot around the home or when you are out?

Stay and Play

Our next stay and play session is on **Tuesday 10th March at 9am - 9.45am or 2.15pm - 3.00pm**. Please choose one session to come to, when your child would normally be in Nursery.

This is an opportunity for you to join your child for part of their session and share their Nursery experiences with them. We look forward to seeing many of you there.

Thank you for your continued support. If you have any comments or concerns or questions, please speak to any of the Nursery Team members. 😊
