

*Maths skills to develop for Nursery aged children.*

shutterstock.com • 783808789

Finger counting.

Count anything eg jumps, claps or steps.

Help your child show an interest in numbers in the environment.

www.bigstock.com · 297922765

Arranging objects helps with shape and space.

Help them use positional language eg Teddy is in the box.

The ribbon is beside the box.
