PLAY SAFE

We have the right to:	We have the responsibility to:
Have fun at playtimes...	Make sure that everyone has fun and our play does not stop this.
Make our own decisions about our play and choose what we do...	Make sure our decisions don't affect others in a negative way.
Choose who we play with and include others...	Make sure that no one is left out of play or forced to do something they don't want to.
Play with lots of different toys and have a well looked after environment...	Take pride in, respect and look after our environment and toys.
Explore, be creative and take thoughtful risks...	Think about what we are doing and talk to an adult about the risks we are taking if they ask us to.

End of lunch expectations

When the first whistle goes at 1.25pm, an adult from the lunch time play team will call out “tidy up”. **Everyone** needs to find at least one item to put away. All adults outside will be making sure this happens so that at 1.30pm you can head **straight back into class**.

Some of the items that will need putting away:

- Role play
- Tarpaulin and materials
- Connect 4
- Connective shapes
- Building blocks
- Art area
- Sand pit
- Pipes
- Tyres moved to the edges of the field
- Cable reels

This will mean all of the play equipment will be ready for you to use the next day 😊

This term: your class will be called in the order below

No more queuing outside 😊

When your class is called – just go straight in!
