

Thursday 7<sup>th</sup> May 2020

Hello everyone. Hope the week is going well. You've worked so hard in English this week, that I have decided not to give you any work for tomorrow. 😊

Please put the following in alphabetical order. It might be helpful to write the alphabet (in order) down first on your paper.

For this section, remember to look at the first letter.

- |             |         |           |           |
|-------------|---------|-----------|-----------|
| 1. Elephant | water   | trunk     | squirt    |
| 2. Giraffe  | neck    | leaves    | trees     |
| 3. Lion     | mane    | teeth     | carnivore |
| 4. Cheetah  | fast    | spotty    | predator  |
| 5. Zebra    | stripes | herbivore | grass     |

For this section, you will need to do the same, but look at the second letter.

- |            |       |         |         |
|------------|-------|---------|---------|
| 6. Cheetah | cats  | cruel   | cubs    |
| 7. Monkey  | munch | mammals | mighty  |
| 8. Gazelle | grass | gentle  | gleeful |

For this section, you will need to look at the third letter (sorry, I couldn't really find things related to Africa for this activity).

- |             |         |          |
|-------------|---------|----------|
| 9. decide   | demand  | deadly   |
| 10. harmful | habitat | hatch    |
| 11. prune   | produce | predator |

Enjoy the three-day weekend and stay safe. 😊
