

International Ambassador Elections! 🌍

We are introducing a brand-new role in each class—**International Ambassador!**

Our International Ambassadors will meet once a month to help promote and strengthen our global connections, ensuring our school celebrates and learns from different cultures around the world.

Class teachers have already spoken to the children about this fantastic opportunity. Those who are interested in the role have been invited to prepare a **short presentation (no longer than two minutes)** explaining:

- Why they want to be an International Ambassador
- Why they would be great for the role

Each class will then vote to select their representative.

Below is a list of some of the jobs that the ambassadors will do.

1. Introduce the Language of the month and teach their class words and phrases from this language every month.
2. Help Fundraise for Rwanda.
3. Assist with International Week.
5. Help plan and organise fun activities for International Week where we celebrate cultures from around the world.
7. Share Ideas for learning about other countries
8. Think of creative ways for their class to learn about different countries, traditions, and cultures.
9. Welcome new students
10. Help students who have just arrived from abroad feel comfortable and settle in at Meadowvale.

Good luck to all the candidates—we can't wait to see the impact our International Ambassadors will have! 🌍
