Day to Day

- Stationery & water bottle
- PE kit & trainers for the astro pitch
- Reading records & reading books
- Home learning

Home Learning

- We have moved away from the grid format in Year 6

You can expect your child to receive:

- One piece of English (for example, SPaG or reading) and Maths homelearning each week (set and due in on Fridays)
- Weekly spellings

We also expect the children to be:

- Reading at home each night
- Practicing times tables

Home Learning

If you're looking for a little bit more...

...there's plenty out there!

Curriculum

Projects: Rivers, Mayans, WWI, WWII and Titanic.

English will be combined with project learning wherever possible. This allows more time to consolidate knowledge. However, the focus will be on achieving success in the writing and this might mean some variation of topics or themes.

Our focus in Maths is building reasoning skills as well as fluency with arithmetic.

Trips: Bowling, Bletchley Park, Chessington and Bude.

Assessment

Terminology: Working Towards (WTS), Expected (EXS), Greater Depth (GDS)

Assessment/data points:

- Weekly spelling, times tables & written arithmetic practice and tests
- Half-termly tests for maths, reading, spellings, punctuation and grammar
- End of unit tests for Science
- Continual assessment of writing through all learning
- At least one piece of assessed writing per half-term

Meetings

SATs

- There will be a formal meeting arranged for the Spring Term
- Please read parentmail carefully for school information and dates

Bude

- There will be a meeting about this in the summer term
- *Full payment for Bude is required by 22nd March 2019*

Expectations
