New Policy adopted

**It is our school policy that all children wear school uniform when attending school, or when participating in a school-organised event outside normal hours.**

Our policy on school uniform is based on the notion that school uniform:

- promotes a sense of pride in the school;
- engenders a sense of community and belonging towards the school;
- is practical and smart;
- identifies the children with the school;
- prevents children from coming to school in fashion clothes that could be distracting in class;
- makes children feel equal to their peers in terms of appearance;
- is regarded as suitable wear for school and good value for money by parents;
- is designed with health and safety in mind.

**SCHOOL UNIFORM** - *Everything must be clearly labelled with your child's name*
